SCALE 1:24000

A graphic scale bar for a map with a scale of 1:24,000. The bar is marked in feet, with major increments every 1,000 feet from 0 to 7,000. There are also markings for 1 mile at the far right and 1/2 mile at the 3,000-foot mark. The bar is divided into segments by vertical lines, with some segments further subdivided.
