

Maped, edited, and published by the Geological Survey
Control by USGS and NOS/NOAA
Topography from aerial photographs by multiplex methods
and by planetable surveys 1926 and 1955. Aerial photographs taken 1953
Polyconic projection. 1927 North American Datum
10,000-foot grid based on Utah coordinate system, north zone
Red tint indicates areas in which only landmark buildings are shown
Dashed land lines indicate approximate locations
1000-meter Universal Transverse Mercator grid ticks,
zone 12, shown in blue
To place on the predicted North American Datum 1983
move the projection lines 10 meters north and
65 meters east as shown by dashed corner ticks
There may be private inholdings within the boundaries
of the National or State reservations shown on this map

Revisions shown in purple and woodland compiled from
aerial photographs taken 1981 and other source data
This information not field checked. Map edited 1986
Purple tint indicates extension of urban areas
