

This is a detailed topographic map of the Wahwah Mountains region in Utah. The map features a grid system with coordinates ranging from 113°00'W to 110°00'W and 38°30'N to 40°00'N. Key geographical features include the Wahwah Mountains, Wahwah Valley, and the Escalante Desert. The map shows numerous peaks, valleys, and creeks, with place names such as Milford, Panguitch, and Hatch. The map also includes a scale bar and a north arrow. The terrain is depicted with contour lines and color shading, indicating elevation changes. The map is a technical drawing with a focus on geographical accuracy and detail.

- Contours and elevations in meters
- Highways, roads and other manmade structures
- Water features
- Woodland areas
- Geographic names

1980

compiled by the United States Geological Survey
 derived from USGS 1:24 000 and 1:62 500-scale topographic maps,
 collected 1958-1978. Planimetry revised from aerial photographs
 taken 1976, 1978 and other source data. Revised information
 not checked. Map edited 1980
 projection and 10 000-meter grid, zone 12,
 universal Transverse Mercator
 1000-foot grid ticks based on Utah coordinate
 system, fourth zone, 1927 North American Datum
 place on the predicted North American Datum 1983 move
 the projection lines 8 meters north and 70 meters east
 there may be private inholdings within the boundaries of
 the National or State reservations shown on this map

CONTOUR INTERVAL 40 METERS
SUPPLEMENTARY CONTOUR INTERVAL 10 METERS
NATIONAL GEODETIC VERTICAL DATUM OF 1929
