

30 X 60 MINUTE QUADRANGLE  
SHOWING

- Contours and elevations in meters
- Highways, roads and other manmade structures
- Water features
- Woodland areas
- Geographic names

GEOLOGICAL SURVEY

1981

**Produced by the United States Geological Survey**  
 Compiled from USGS 1:24,000-scale topographic maps dated 1972. Planimetry revised from aerial photographs taken 1977 and other sources. Revised information not field checked. Map edited 1981.  
 Projection and 10,000-meter grid, zone 18: Universal Transverse Mercator. 25,000-foot grid ticks based on New Jersey coordinate datum.  
 To place on the predicted North American Datum 1983 move the projection lines 7 meters south and 33 meters west.  
 Offshore protection survey data, shown in red, compiled by the Department of the Interior, Bureau of Land Management, U.S. Outer Continental Shelf Official Protection Diagrams dated Oct. 31, 1974. The protections on this map are not for the purpose of navigation. For more information on the 1:250,000-scale OCS Official Protection Diagrams available from the Bureau of Ocean Management, write to:
