

Mapped, edited, and published by the Geological Survey

Control by USGS and USC&GS

Topography by photogrammetric methods from aerial

photographs taken 1959. Field checked 1962

Polyconic projection. 1927 North American datum

10,000-foot grid based on Arkansas coordinate system, north zone

1000-meter Universal Transverse Mercator grid ticks,

zone 15, shown in blue

Fine red dashed lines indicate selected fence and field lines where

generally visible on aerial photographs. This information is unchecked

To place on the predicted North American Datum 1983

move the projection lines 4 meters south and

13 meters east as shown by dashed corner ticks

Revisions shown in purple compiled from aerial photographs taken

1980. Map edited 1981. This information not field checked

| ROAD CLASSIFICATION             |                                           |
|---------------------------------|-------------------------------------------|
| Primary highway, hard surface   | Light-duty road, hard or improved surface |
| Secondary highway, hard surface | Unimproved road                           |
| Interstate Route                | U. S. Route                               |
|                                 | State Route                               |
