Mapped by the Army Map Service
Published for civil use by the Geological Survey

Control by USGS, NOS/NOAA, USCE, and TVA

Topography by photogrammetric methods from aerial photographs taken 1952. Field checked 1953

Polyconic projection. 10,000-foot grid ticks based on South Carolina coordinate system, north zone. 1000-meter Universal Transverse Mercator grid ticks, zone 17, shown in blue. 1927 North American Datum.

The difference between 1927 North American Datum and North American Datum of 1983 (NAD 83) for 7.5-minute intersections is given in USGS Bulletin 1875. The NAD 83 is shown by dashed corner ticks

Revisions shown in purple and woodland compiled by the Geological Survey from aerial photographs taken 1980 and other sources. This information not field checked. Map edited 1982
