Produced by the United States Geological Survey

Control by USGS, NOS/NOAA, and South Carolina Geodetic Survey

Topography by photogrammetric methods from aerial photographs taken 1987. Field checked 1989. Map edited 1990
Supersedes Army Map Service map dated 1943
Projection: South Carolina coordinate system, north zone (Lambert conformal conic)
10,000-foot grid ticks: South Carolina coordinate system, north zone and North Carolina coordinate system
1000-meter Universal Transverse Mercator grid, zone 17
1927 North American Datum
To place on the predicted North American Datum 1983, move the projection lines 15 meters south and 24 meters west as shown by dashed corner ticks

Gray tint indicates areas in which only landmark buildings are shown
