## Mapped, edited, and published by the Geological Survey

Control by USGS, NOS/NOAA

Topography by photogrammetric methods from aerial photographs taken 1974. Field checked 1975. Map edited 1979

Projection and 10,000-foot grid ticks: South Carolina coordinate system, south zone (Lambert conformal conic)

1000-meter Universal Transverse Mercator grid, zone 17

1927 North American datum

The difference between 1927 North American Datum and North American Datum of 1983 (NAD 83) for 7.5-minute intersections is given in USGS Bulletin 1875. The NAD 83 is shown by dashed corner ticks

Fine red dashed lines indicate selected fence and field lines where generally visible on aerial photographs. This information is unchecked

Short dashed blue lines indicate elliptical bay outlines visible on aerial photographs
