INTERIOR—GEOLOGICAL SURVEY, RESTON, VIRGINIA—1988

Mapped, edited, and published by the Geological Survey

Control by USGS and U. S. Forest Service

Topography by photogrammetric methods from aerial photographs taken 1956. Field checked 1959

Polyconic projection. 10,000-foot grid based on South Carolina coordinate system, north zone. 1000-meter Universal Transverse Mercator grid ticks, zone 17, shown in blue. 1927 North American Datum
To place on the predicted North American Datum 1983 move the projection lines 9 meters south and 12 meters west as shown by dashed corner ticks

Fine red dashed lines indicate fence and field lines where generally visible on aerial photographs. This information is unchecked

Unchecked elevations are shown in brown

There may be private inholdings within the boundaries of the National or State reservations shown on this map
