

A.M.S. V846  
First Edition (AMS 1), 1943; (AMS 2), 1947.

Prepared under the direction of the Chief of Engineers by the Army Map Service (AM), U. S. Army, Washington, D. C. Scale changed, marginal data revised and Universal Transverse Mercator Grid added, 1947. Copied in 1947 from South Carolina, 1:131,680, AMS, Wampee, 1943. Original map compiled by photo-planimetric methods and plane-table surveys for the Army Map Service by USC&GS. Horizontal and vertical control by USC&GS. Aerial photography by U. S. Coast and Geodetic Survey, 1942. This map complies with the national standard map accuracy requirements.

LEGEND  
ROAD DATA 1943

|                                                                               |                                         |
|-------------------------------------------------------------------------------|-----------------------------------------|
| Hard surface, heavy duty road, more than two lanes wide                       | Loose surface, graded, dry weather road |
| Hard surface, heavy duty road, two lanes wide, federal route marker           | Trail, dirt road                        |
| Secondary, hard surface, all weather road, two lanes wide; State route marker | Railroad in street; Carline in street   |
| RAILROADS                                                                     | UNDER CONSTRUCTION                      |
| Standard gauge                                                                | Single track Double track               |
| Narrow gauge                                                                  | Single track Double track               |
| Single track carline                                                          | Double track carline                    |
| BOUNDARIES                                                                    |                                         |
| International                                                                 | Mine                                    |
| State                                                                         | Horizontal control sta.                 |
| County (with monument)                                                        | Bench mark                              |
| County subdivision                                                            | Spot elevation                          |
| Reservation                                                                   | Woods                                   |
| Military reservation                                                          | Woods brushwood                         |
| School, Church                                                                | Brushwood                               |
| Cemetery                                                                      | Orchard                                 |
| Churchyard                                                                    | Vineyard                                |
|                                                                               | Man-made shoreline                      |
