Mapped, edited, and published by the Geological Survey

Control by USGS and USC&GS

Topography from aerial photographs by photogrammetric methods
Aerial photographs taken 1955. Field check 1958

Polyconic projection. **1927 North American Datum**
10,000-foot grid based on Montana coordinate system, central and north zones
1000-meter Universal Transverse Mercator grid ticks, zone 12, shown in blue

Unchecked elevations are shown in brown

To place on the predicted North American Datum 1983 move the projection lines 10 meters north and 67 meters east as shown by dashed corner ticks

There may be private inholdings within the boundaries of National or State reservations shown on this map
