SHAW CREEK QUADRANGLE
MONTANA
7.5 MINUTE SERIES (TOPOGRAPHIC)

Mapped, edited, and published by the Geological Survey
Control by USGS and USC&GS
Topography by photogrammetric methods from aerial photographs taken 1969. Field checked 1970.
Polyconic projection. 1927 North American datum 10,000-foot grid based on Montana coordinate system, central zone.
1000-meter Universal Transverse Mercator grid ticks, zone 12, shown in blue.
Where omitted, land lines have not been established.
To place on the predicted North American Datum 1983 move the projection lines 11 meters north and 68 meters east as shown by dashed corner ticks.
There may be private inholdings within the boundaries of the National or State reservations shown on this map.
