Mapped, edited, and published by the Geological Survey as part of the Department of the Interior program for the development of the Missouri River Basin

Control by USGS, USC&GS, and MRC

Topography from aerial photographs by multiplex methods and by plane-table surveys 1953. Aerial photographs taken 1952

Polyconic projection. 1927 North American datum
10,000-foot grid based on Montana coordinate system, north zone

Dashed land lines indicate approximate locations

1000-metre Universal Transverse Mercator grid ticks, zone 12, shown in blue

SCALE 1:24 000
