Topography from aerial photographs by photogrammetric methods
Aerial photographs taken 1951. Field checked 1955

Polyconic projection. 1927 North American Datum
10,000-foot grid based on Michigan coordinate system, north zone
and Wisconsin coordinate system, central zone

1000-meter Universal Transverse Mercator grid ticks,
zone 16, shown in blue

To place on the predicted North American Datum 1983
move the projection lines 7 meters north and
8 meters east as shown by dashed corner ticks

There may be private inholdings within the boundaries of
the National or State reservations shown on this map

Red tint indicates areas in which only landmark buildings are shown
