

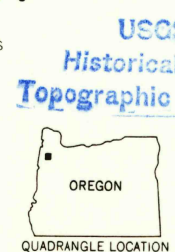

Diagram illustrating the relationship between GN (Geographic North) and MN (Magnetic North) at the center of the sheet. The diagram shows two lines originating from a common point at the bottom, representing the center of the sheet. The line to GN (Geographic North) is labeled $0^{\circ}16'$ and 5 MILS. The line to MN (Magnetic North) is labeled 21° and 373 MILS. A star symbol is positioned above the GN line. A scale bar at the top right indicates a distance of 1 unit.
