Mapped, edited, and published by the Geological Survey

Control by USGS and USC&GS

Planimetry by photogrammetric methods from aerial photographs taken 1964. Topography by planetable surveys 1966–67

Polyconic projection. 1927 North American datum
10,000-foot grid based on North Dakota coordinate system, north zone
1000-meter Universal Transverse Mercator grid ticks, zone 14, shown in blue

Fine red dashed lines indicate selected fence and field lines where generally visible on aerial photographs.
This information is unchecked

To place on the predicted North American Datum 1983 move the projection lines 6 meters north and 27 meters east as shown by dashed corner ticks

Map photoinspected 1981
No major culture or drainage changes observed
