Mapped, edited, and published by the Geological Survey
as part of the Department of the Interior
for the development of the Missouri River Basin

Control by USGS and USC&GS

Culture and drainage in part compiled from
aerial photographs taken 1944
Topography by plane-table methods 1949

Polyconic projection. 1927 North American datum
10,000-foot grid based on North Dakota coordinate system, north zone
1000-meter Universal Transverse Mercator grid, zone 14
To place on the predicted North American Datum 1983,
move the projection lines 4 meters north and
29 meters east as shown by dashed corner ticks

Revisions shown in purple compiled from aerial photographs taken 1982 and other sources. This information not field checked. Map edited 1986
