Mapped, edited, and published by the Geological Survey
in cooperation with the North Dakota Water Commission

Control by USGS and USC&GS

Topography by photogrammetric methods from aerial photographs taken 1971. Field checked 1972

Underwater contours in Lake Sakakawea and Audubon Lake from USCE maps dated 1943

Projection and 10,000-foot grid ticks: North Dakota coordinate system, north zone (Lambert conformal conic)
1000-meter Universal Transverse Mercator grid ticks, zone 14, shown in blue. 1927 North American datum

Areas covered by dashed light-blue pattern are subject to controlled inundation

Fine red dashed lines indicate selected fence and field lines where generally visible on aerial photographs. This information is unchecked
