5288 000mN — 5275 000mN
270 000 FEET — 230 000 FEET

Mapped, edited, and published by the Geological Survey as part of the Department of the Interior program for the development of the Missouri River Basin

Control by USGS and USC&GS

Culture and drainage in part compiled from aerial photographs taken 1938 and 1940
Topography by plane-table methods 1949

Polyconic projection. 1927 North American datum
10,000-foot grid based on North Dakota coordinate system, north zone
1000-meter Universal Transverse Mercator grid, zone 14
To place on the predicted North American Datum 1983, move the projection lines 4 meters north and 31 meters east as shown by dashed corner ticks

Revisions shown in purple compiled from aerial photographs taken 1982 and other sources. This information not field checked. Map edited 1986
