Mapped, edited, and published by the Geological Survey with cooperation by the California Department of Water Resources

Control by USGS, USC&GS, and USCE

Topography from aerial photographs by photogrammetric methods and by planetable surveys 1953. Aerial photographs taken 1948 Revised from aerial photographs taken 1960. Field check 1961

Polyconic projection. 1927 North American datum
10,000-foot grid based on California coordinate system, zone 3
1000-meter Universal Transverse Mercator grid ticks, zone 10, shown in blue

Red tint indicates area in which only landmark buildings are shown

Dashed land lines indicate approximate locations

Fine red dashed lines indicate selected fence lines

A portion of this map lies within a subsidence area
