

Mapped, edited, and published by the Geological Survey
Control by USGS and USC&GS
Topography from planetable surveys 1936
Culture and drainage revised from aerial photographs
taken 1950. Field check and partial contour revision 1954
Polyconic projection. 1927 North American datum
10,000-foot grid based on California coordinate system, zone 4
Dotted land lines were established by private survey
This map lies within a subsidence area
Contouring not corrected to later vertical control adjustment
1000-meter Universal Transverse Mercator grid ticks,
zone 11, shown in blue
