

Mapped, edited, and published by the Geological Survey
Control by USGS, NOS/NOAA, and Alameda County
Topography by photogrammetric methods from aerial photographs
taken 1949 and 1950 and planimetric methods 1912. Field checked 1953
Polyconic projection. 10,000-foot grid based on California coordinate
system, zone 3. 1000-meter Universal Transverse Mercator grid ticks,
zone 10, shown in blue. 1927 North American Datum. To place on the
predicted North American Datum 1983 move the projection lines
13 meters north and 93 meters east as shown by dashed corner ticks
Dashed land lines indicate approximate locations
Revisions shown in purple and woodland compiled from
aerial photographs taken 1978 and other source data
This information not field checked. Map edited 1980
