

Topography by C.A. Ecklund and F.K. Van Zandt
Surveyed in 1933-1934

TRUE NORTH
MAGNETIC NORTH
APPROXIMATE MEAN
DECLINATION, 1934

Scale 1:25,000
1 Mile
5000 Feet
Contour interval 25 feet
Datum is mean sea level

USGS
Historical File
Topographic Division
Inspection and Editing.

Land lines pertaining to part of
T.2N., R.11W., are omitted because
land plats and topography can-
not be reconciled

ROADS IMPROVISED SURFACED
ROADS OTHERWISE SURFACED
1939
STATE ROUTE NUMBER

Polyconic projection, North American datum
5000 yard grid based on U.S. zone system, G
10000 foot grid based on California (5)
rectangular coordinate system
