

Mapped, edited, and published by the Geological Survey

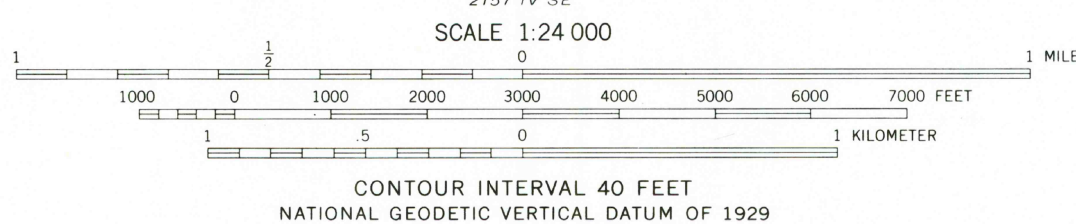

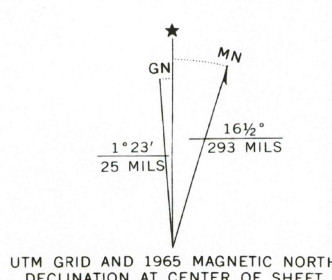

Control by USGS and USC&GS

Topography by photogrammetric methods from aerial photographs taken 1963. Field checked 1965. 100-foot underwater contours from aerial photographs taken 1948, prior to inundation.

Polyconic projection. 1927 North American datum. 10,000-foot grid based on California coordinate system, zone 4. 1000-meter Universal Transverse Mercator grid ticks, zone 11, shown in blue.

To place on the predicted North American Datum 1983 move the projection lines 9 meters north and 86 meters east as shown by dashed corner ticks.

Fine red dashed lines indicate selected fence lines. There may be private inholdings within the boundaries of the National or State reservations shown on this map.
