

Mapped, edited, and published by the Geological Survey
Control by USGS, USC&GS and USFS
Topography from aerial photographs by multiplex methods
Aerial photographs taken 1951. Field check 1955
Polyconic projection. 1927 North American datum
10,000-foot grid based on California coordinate system, zone 1
Dashed land lines indicate approximate locations
Unchecked elevations are shown in brown
1000-meter Universal Transverse Mercator grid ticks,
zone 10, shown in blue

CONTOUR INTERVAL 80 FEET
DATUM IS MEAN SEA LEVEL
