Mapped by the Army Map Service
Published for civil use by the Geological Survey

Control by USC&GS and USCE

Topography from aerial photographs by stereophotogrammetric methods. Aerial photographs taken 1940

Polyconic projection. 1927 North American datum
10,000-foot grid based on California coordinate system, zone 6

Dashed land lines indicate approximate locations

No distinction is made between barns, dwellings, commercial and industrial buildings
