Mapped, edited, and published by the Geological Survey
Control by USGS, USC&GS, and California Department of
Water Resources
Topography by photogrammetric methods by USGS and
CDWR from aerial photographs taken 1964
Field checked by USGS 1966
Polyconic projection. 1927 North American datum
10,000-foot grid based on California coordinate system, zone 2
1000-meter Universal Transverse Mercator grid ticks,
zone 10, shown in blue
To place on the predicted North American Datum 1983
move the projection lines 18 meters north and
95 meters east as shown by dashed corner ticks
Certain land lines are omitted because of insufficient data
There may be private inholdings within the boundaries of
the National or State reservations shown on this map

ROAD CLASSIFICATION
Light-duty ————— Unimproved dirt - - - - -

Map photoinspected 1973
No major culture or drainage changes observed
