Topography from aerial photographs by multiplex methods

Aerial photographs taken 1949. Field check 1954

Polyconic projection. 1927 North American Datum

10,000-foot grid based on California coordinate system, zone 6

Dashed land lines indicate approximate locations

Dotted land lines were established by private survey

Unchecked elevations are shown in brown

1000-meter Universal Transverse Mercator grid ticks,

zone 11, shown in blue

To place on the predicted North American Datum 1983

move the projection lines 83 meters east as

shown by dashed corner ticks

There may be private inholdings within the boundaries

of the National or State reservations shown on this map
