

Produced by the United States Geological Survey

Control by USGS and NOS/NOAA

Compiled by photogrammetric methods from aerial photographs
taken 1978. Field checked 1979. Map edited 1982

Projection and 1000-meter grid, zone 11,

Universal Transverse Mercator
10,000-foot grid ticks based on California coordinate
system, zone 4. 1927 North American Datum
To place on the predicted North American Datum 1983
move the projection lines 9 meters north and
83 meters east as shown by dashed corner ticks

Fine red dashed lines indicate selected fence and field lines where generally visible on aerial photographs. This information is unchecked

Where omitted, land lines have not been established
There may be private inholdings within the boundaries of
the National or State reservations shown on this map
