Topography by photogrammetric methods from aerial photographs taken 1952. Field checked 1956

Polyconic Projection. 10,000-foot grid ticks based on California coordinate system, zone 5. 1000-meter Universal Transverse Mercator grid ticks, zone 11, shown in blue. 1927 North American Datum. To place on the predicted North American Datum 1983 move the projection lines 3 meters north and 82 meters east as shown by dashed corner ticks

Dashed land lines indicate approximate locations

There may be private inholdings within the boundaries of the National or State reservations shown on this map

Revisions shown in purple and woodland compiled from aerial photographs taken 1978 and other sources. This information not field checked. Map edited 1981

Purple tint indicates extension of urban areas
