Mapped, edited, and published by the Geological Survey

Control by USGS,NOS/NOAA,and California State Land Commission

Topography from aerial photographs by multiplex methods
Aerial photographs taken 1949. Field check 1953

Polyconic projection
10,000-foot grid based on California coordinate system, zone 3
1000-meter Universal Transverse Mercator grid ticks,
zone 10, shown in blue. 1927 North American Datum
To place on the predicted North American Datum 1983
move the projection lines 14 meters north and
94 meters east as shown by dashed corner ticks

Red tint indicates areas in which only landmark buildings are shown

Revisions shown in purple and woodland compiled from
aerial photographs taken 1978 and other source data
This information not field checked. Map edited 1980

Purple tint indicates extension of urban areas
