Topography by photogrammetric methods from aerial photographs taken 1974. Field checked 1974

Projection and 10,000-foot grid ticks: Alabama coordinate system, west zone (transverse Mercator)

1000-meter Universal Transverse Mercator grid ticks, zone 16, shown in blue. 1927 North American Datum. To place on the predicted North American Datum 1983 move the projection lines 10 meters south as shown by dashed corner ticks

Fine red dashed lines indicate selected fence and field lines where generally visible on aerial photographs. This information is unchecked

Revisions shown in purple and woodland compiled from aerial photographs taken 1981 and other sources

This information not field checked. Map edited 1983
