Produced by the United States Geological Survey
Compiled from USGS 1:24 000-scale topographic maps dated 1953-1978. Planimetry revised from aerial photographs taken 1974 and 1978 and other source data. Revised information not field checked. Map edited 1981.
Projection and 10 000-meter grid, zone 16: Universal Transverse Mercator
25 000-foot grid ticks based on Florida coordinate system, north zone and Alabama coordinate system, west zone 1927 North American Datum
To place on the predicted North American Datum 1983 move the projection lines 17 meters south and 1 meter west
There may be private inholdings within the boundaries of the National or State reservations shown on this map
