

Produced by the United States Geological Survey 1993
Revision by USDA Forest Service 1999

Topography compiled 1952. Planimetry derived from imagery taken 1998 and other sources. Public Land Survey System and survey control current as of 2000.

North American Datum of 1927 (NAD 27). Projection and 10 000-foot ticks: Illinois coordinate system, east zone (transverse Mercator). Blue 1000-meter Universal Transverse Mercator ticks, zone 16. North American Datum of 1983 (NAD 83) is shown by dashed corner ticks. The values of the shift between NAD 27 and NAD 83 for 7.5-minute intersections are obtainable from National Geodetic Survey NADCON software.

Non-National Forest System lands within the National Forest. Inholdings may exist in other National or State reservations. This map is not a legal land line or ownership document. Public lands are subject to change and leasing, and may have access restrictions; check with local offices. Obtain permission before entering private lands.
