

Maped, edited, and published by the Geological Survey

Control by USGS and USC&GS

Topography by photogrammetric methods from aerial photographs taken 1968. Field checked 1970

Polyconic projection, 1927 North American datum
10,000-foot grid based on Illinois coordinate system, west zone
1000-meter Universal Transverse Mercator grid ticks,
zone 16, shown in blue

Fine red dashed lines indicate selected fence and field lines where generally visible on aerial photographs. This information is unchecked

To place on the predicted North American Datum 1983
move the projection lines 3 meters south and
8 meters east as shown by dashed corner ticks

Revisions shown in purple compiled from aerial photographs taken 1980
and other sources. This information not field checked. Map edited 1982

There may be private holdings within the boundaries of the National or State reservations shown on this map
