

Mapped, edited, and published by the Geological Survey  
Control by USGS and NOS/NOAA  
Topography by photogrammetric methods from aerial  
photographs taken 1973. Field checked 1974. Map edited 1979  
Projection and 10,000-foot grid ticks: Arizona coordinate  
system, east zone (transverse Mercator)  
1000-meter Universal Transverse Mercator grid ticks,  
zone 12, shown in blue. 1927 North American datum  
To place on the predicted North American Datum 1983  
move the projection lines 8 meters south and  
58 meters east as shown by dashed corner ticks  
Where omitted, land lines have not been established  
There may be private inholdings within the boundaries of  
the National or State reservations shown on this map

| ROAD CLASSIFICATION                |                                              |
|------------------------------------|----------------------------------------------|
| Primary highway,<br>hard surface   | Light-duty road, hard or<br>improved surface |
| Secondary highway,<br>hard surface | Unimproved road                              |
| Interstate Route                   | U. S. Route                                  |
|                                    | State Route                                  |
