Control by USGS and USC&GS

Topography from aerial photographs by multiplex methods
Aerial photographs taken 1947. Field check 1949

Polyconic projection. 1927 North American datum
10,000-foot grid based on Arizona coordinate system, central zone

Unchecked elevations are shown in brown

Dashed land lines indicate approximate location

All mining features on this map have been abandoned

1000-meter Universal Transverse Mercator grid ticks, zone 12, shown in blue
