Mapped, edited, and published by the Geological Survey

Control by USGS and NOS/NOAA

Topography by photogrammetric methods from aerial photographs taken 1969–70. Field checked 1970

Projection: Arizona coordinate system, west zone (transverse Mercator)
10,000-foot grid ticks based on Arizona coordinate system, west zone and California coordinate system, zone 5
1000-meter Universal Transverse Mercator grid ticks, zone 11, shown in blue. 1927 North American datum

To place on the predicted North American Datum 1983 move the projection lines 0 meters north and 72 meters east as shown by dashed corner ticks
Certain land lines are omitted because of insufficient data
Indefinite Indian Reservation boundary is in dispute
