Control by USGS and USC&GS

Topography by photogrammetric methods from aerial photographs taken 1968. Field checked 1970

Polyconic projection. 1927 North American datum
10,000-foot grid based on Arizona coordinate system, east zone
1000-meter Universal Transverse Mercator grid ticks,
zone 12, shown in blue

To place on the predicted North American Datum 1983
move the projection lines 4 meters north and
63 meters east as shown by dashed corner ticks

Land lines have not been established in this area

There may be private inholdings within the boundaries of
the National or State reservations shown on this map
