Topography by photogrammetric methods from aerial photographs taken 1966. Field checked 1967

Polyconic projection. 1927 North American datum 10,000-foot grid based on Nevada coordinate system, west zone 1000-meter Universal Transverse Mercator grid ticks, zone 11, shown in blue

To place on the predicted North American Datum 1983, move the projection lines 11 meters north and 83 meters east as shown by dashed corner ticks

Where omitted, land lines have not been established or are not shown because of insufficient data
