Topography by photogrammetric methods from aerial photographs
taken 1973. Field checked 1974

Projection and 10,000-foot grid ticks: Nevada coordinate system, east zone (transverse Mercator)
1000-meter Universal Transverse Mercator grid ticks, zone 11, shown in blue

1927 North American Datum

To place on the predicted North American Datum 1983
move the projection lines 5 meters north and
75 meters east as shown by dashed corner ticks

Fine red dashed lines indicate selected fence and field lines where generally visible on aerial photographs. This information is unchecked. Certain land lines are omitted because of insufficient data.

There may be private inholdings within the boundaries of the National or State reservations shown on this map.

Revisions shown in purple and woodland compiled from
aerial photographs taken 1982 and other sources
This information not field checked. Map edited 1983
