Topography by photogrammetric methods from aerial photographs taken 1964. Field checked 1965

Polyconic projection. 1927 North American datum. 10,000-foot grid based on Missouri coordinate system, east zone. 1000-meter Universal Transverse Mercator grid ticks, zone 15, shown in blue

To place on the predicted North American Datum 1983, move the projection lines 2 meters south and 12 meters east as shown by dashed corner ticks. There may be private inholdings within the boundaries of the National or State Reservations shown on this map

Revisions shown in purple compiled from aerial photographs taken 1982 and other sources. This information not field checked. Map edited 1985
