

Mapped, edited, and published by the Geological Survey  
Control by USGS and USC&GS

Topography by photogrammetric methods from aerial  
photographs taken 1962. Field checked 1962-63

Polyconic projection. 1927 North American datum  
10,000-foot grids based on Missouri coordinate system,  
east and central zones  
1000-meter Universal Transverse Mercator grid ticks,  
zone 15, shown in blue

Fine red dashed lines indicate selected fence and field lines where  
generally visible on aerial photographs. This information is unchecked

To place on the predicted North American Datum 1983  
move the projection lines 2 meters south and  
12 meters east as shown by dashed corner ticks

Revisions shown in purple compiled from aerial photographs taken  
1978. Map edited 1979. This information not field checked
