Mapped, edited, and published by the Geological Survey

Control by USGS, USC&GS, and New Hampshire Geodetic Survey

Topography by photogrammetric methods from aerial photogaphs taken 1967. Field checked 1967

Polyconic projection. 1927 North American datum
10,000-foot grid based on New Hampshire coordinate system
1000-meter Universal Transverse Mercator grid ticks, zone 19, shown in blue

To place on the predicted North American Datum 1983 move the projection lines 5 meters south and 40 meters west as shown by dashed corner ticks

Fine red dashed lines indicate selected fence and field lines where generally visible on aerial photographs. This information is unchecked

There may be private inholdings within the boundaries of the National or State reservations shown on this map
