

This is a detailed topographic map of the Clarksville area in Vermont. The map features brown contour lines indicating elevation, with major peaks like Tabor Hill and Carr Ridge clearly marked. The Connecticut River flows through the center of the map, with several tributaries such as the Halls Stream and Indian Brook. Key locations include Clarksville, which is situated on the river, and surrounding areas like Tabor Notch and Carr Ridge. The map also shows various smaller settlements and landmarks, including the Clarksville School and the Clarksville Pond. The border between Vermont and New Hampshire is visible on the left side of the map, and the border with Canada is on the top. The map is oriented with North at the top, and the scale is indicated in miles and feet.

5 Kilometers
