Produced by the United States Geological Survey
Control by USGS, NOS/NOAA, and New Hampshire
Highway Department

Compiled by photogrammetric methods from aerial photographs taken 1972. Field checked 1975
Map edited 1982
Projection and 1000-meter grid, zone 19: Universal Transverse Mercator
10,000-foot grid ticks based on New Hampshire coordinate system, 1927 North American Datum
To place on the predicted North American Datum 1983 move the projection lines 3 meters south and 39 meters west as shown by dashed corner ticks
There may be private inholdings within the boundaries of the National or State reservations shown on this map
