Mapped, edited, and published by the Geological Survey

Control by USGS and USC&GS

Planimetry by photogrammetric methods from aerial photographs taken 1963. Topography by planetable surveys 1964

Selected hydrographic data compiled from USC&GS Chart 1050 (1962)
This information is not intended for navigational purposes

Polyconic projection. 1927 North American datum
10,000-foot grid based on Louisiana coordinate system, south zone
1000-metre Universal Transverse Mercator grid ticks,
zone 15, shown in blue

Where omitted, land lines have not been established or are not shown because of insufficient data
