Mapped, edited, and published by the Geological Survey

Control by USGS and USC&GS

Planimetry by photogrammetric methods from aerial photographs taken 1951. Topography by planetable surveys 1952-53
Revised from aerial photographs taken 1968
Field checked 1969

Polyconic projection. 1927 North American datum
10,000-foot grid based on Louisiana coordinate system, south zone
1000-meter Universal Transverse Mercator grid ticks, zone 15, shown in blue

All or part of this quadrangle lies within a subsidence area

To place on the predicted North American Datum 1983 move the projection lines 18 meters south and 11 meters east as shown by dashed corner ticks
