

Produced by the United States Geological Survey
Topography compiled 1963. Planimetry derived from imagery taken 1989 and other sources. Photoinspected using imagery dated 1996; no major culture or drainage changes observed. PLSS and survey control current as of 1963. Boundaries verified 1999

North American Datum of 1927 (NAD 27). Projection and 10 000-foot ticks: Louisiana coordinate system, south zone (Lambert conformal conic)

North American Datum of 1983 (NAD 83) is shown by dashed corner ticks. The values of the shift between NAD 27 and NAD 83 for 7.5-minute intersections are obtainable from National Geodetic Survey NADCON software

This map covers a subsidence area. Evaluate relief and elevation information based on recent sources

There may be private inholdings within the boundaries of the National or State reservations shown on this map

Information shown in purple may not meet USGS content standards and may conflict with previously mapped contours
