Mapped, edited, and published by the Geological Survey

Control by USGS, NOS/NOAA, and Louisiana Department of Highways

Planimetry by photogrammetric methods from aerial photographs taken 1980. Topography by planetable surveys 1981. Map edited 1983

Projection and 10,000-foot grid ticks: Louisiana coordinate system, south zone (Lambert conformal conic)
1000-meter Universal Transverse Mercator grid, zone 15
1927 North American Datum
To place on the predicted North American Datum 1983 move the projection lines 18 meters south and 13 meters east as shown by dashed corner ticks

Red tint indicates areas in which only landmark buildings are shown

Fine red dashed lines indicate selected fence and field lines where generally visible on aerial photographs. This information is unchecked
